Comments

4. Under section 6 of the Public Finance Ordinance (Cap. 2) (“the Ordinance”), an Appropriation Ordinance is enacted at the commencement of each financial year. Upon enactment of the Appropriation Ordinance, the estimates of expenditure for the financial year to which the Appropriation Ordinance relates are deemed to be approved to the extent that they are provided for in the Appropriation Ordinance and shall have effect from the first day of such financial year.

5. During the financial year, changes however may be made to the approved estimates of expenditure with the approval of the Finance Committee or under the powers delegated by it in accordance with section 8 of the Ordinance. Such changes may provide for, inter alia, supplementary provision in approved or new subheads.

6. Section 9 of the Ordinance provides that if at the close of account for a financial year it is found that expenditure charged to any head is in excess of the sum appropriated for that head by the Appropriation Ordinance for that financial year, the excess shall be included in a Supplementary Appropriation Bill which shall be introduced into the Legislative Council as soon as practicable after the close of that financial year.

7. This Bill is introduced in accordance with section 9 of the Ordinance to provide for supplementary appropriation for the specified heads of expenditure in the financial year which ended on 31 March 2005. The nine heads in which there was excess of expenditure over the original appropriation and the amount of excess are specified in the Schedule to the Bill.

8. According to the draft speech of the Secretary for Financial Services and the Treasury, the excess expenditure in each head reflects the supplementary provision approved by the Finance Committee or under the powers delegated by it. The purpose of the Bill is to seek final legislative authority for the amount of supplementary provision approved by the Finance Committee or under the powers delegated by it during the financial year in respect of particular heads of expenditure.

Public Consultation

Consultation with LegCo Panel
