立法會會議席上
李華明議員就
“制定公平競爭法例”
提出的議案**

議案措辭

“鑒於消費者委員會的調查顯示，多個私人屋苑的管理公司在未有預先知會或取得業主同意的情況下，將屋苑的電訊服務外判予其相關的公司，而服務收費則計入管理費內，此舉有違公平競爭原則，損害消費者權益，本會促請政府徹底檢討現行公平競爭政策，包括競爭政策諮詢委員會的權力及運作，並研究制定公平競爭法例的可行性，以保障香港的營商環境。”

**Motion on
“Enacting a fair competition law”
to be moved by Hon Fred LI Wah-ming
at the Legislative Council meeting
of Wednesday, 20 October 2004**

Wording of the Motion

“That, as a survey conducted by the Consumer Council shows that the management companies of a number of private housing estates have, without giving prior notice to or obtaining the prior consent of the property owners, outsourced the estates’ telecommunication services to their associate companies, with the charges of such services being bundled into the management fees, such practices have violated the principle of fair competition and undermined the interests of consumers, this Council urges the Government to thoroughly review the existing policy on fair competition, including the powers and operation of the Competition Policy Advisory Group, and to study the feasibility of enacting a fair competition law so as to safeguard the business environment in Hong Kong.”
