

**Subcommittee on West Kowloon Cultural District Development**

**Follow-up to meeting on 23 March 2005**

The Administration is requested to provide the following in writing:

- (a) estimates of land sale proceeds if the land in the West Kowloon reclamation is to be divided into land parcels for open tender; and
- (b) estimated upfront and recurrent capital requirements for the provision, operation and management of the proposed arts and cultural facilities in the West Kowloon Cultural District if the same were to be undertaken by the Government under the conventional procurement approach.
