The Hon Alan LEONG Kah-kit, SC  
Chairman of the Subcommittee on  
West Kowloon Cultural District Development  
Legislative Council  
Legislative Council Building

Dear Mr Leung,

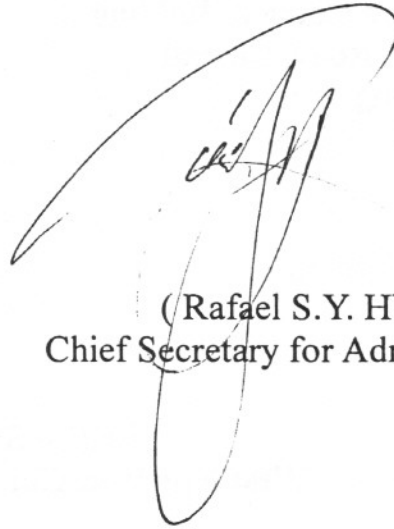

**LegCo Subcommittee on  
West Kowloon Cultural District Development**

Thank you very much for your letter of 12 March 2007 informing me of the progress of work of the Subcommittee in the past few months and its latest views.

Both the Administration and the Consultative Committee on the Core Arts and Cultural Facilities of the West Kowloon Cultural District (the Consultative Committee) fully appreciate the importance of engaging the public in formulating the strategy for developing WKCD. We would carefully and thoroughly consider the Sub-Committee's suggestion to put in place appropriate measures to solicit and take into account views from the general public before the Administration takes a confirmed view on the recommendations from the Consultative Committee on the arts and cultural facilities in WKCD.

After receiving the recommendations of the Consultative Committee, the Government will also carefully consider how best to formulate proposals for establishing an independent statutory body to take forward the WKCD project, including the Sub-Committee's proposal to establish a provisional authority to take up the planning and implementation work.

Yours sincerely,
