2. The present arrangement that all Members should receive the same level of remuneration and OER, irrespective of the channels through which they were elected, should be maintained.				
3. Any proposed substantial changes to the remuneration package should be implemented in the following financial year. (Presently, any substantial changes proposed in a LegCo term are implemented in the following term.)				
4. The membership of the Independent Commission on Remuneration for Members of the Executive Council and the Legislature of the Hong Kong Special Administrative Region should include former or current directly elected LegCo Members.				
5. The present rule that Members cannot jointly enter into employment contracts with their employees should be reviewed.				
6. Medical benefits for LegCo Members should be provided.
