Dear Mr FONG,

**Subcommittee to Study  
Tate's Cairn Tunnel Ordinance (Replacement of Schedule) Notice 2005 and  
Tai Lam Tunnel and Yuen Long Approach Road Ordinance  
(Replacement of Schedule 1) Notice 2005**

Thank you for your letter of 4 July 2005 to the Subcommittee explaining, among other things, your company's financial position for the past years.

While your letter will be circulated to members of the Subcommittee for their consideration, I would like to seek your advice on whether you would agree to have the financial information made public, and members making reference to such information at future meetings. If your answer is in the negative, I should be grateful if you could provide the reasons for the objection.

Your reply **by 7 July 2005** would be very much appreciated.

With best regards,

Yours sincerely,
