Subject	Date of meeting	Follow-up action required	Administration's response
5.2 Provision of free education	29.10.04	<p>as the anticipated number of training hours for professional development of teachers and principals in the next few years.</p> <p>The Administration was requested to provide an information paper to compare the provision of free education in Hong Kong and neighbouring countries.</p>	<p>The general view regarding training needs of teachers during the consultation of 3+3+4 is that the number of hours and the modes of training should be on needs basis according to individual continuous professional development plans. Schools also welcome the use of school-based or web-based professional development programs provided by different institutions including EMB to meet distinct needs. Therefore the overall anticipated hours of training for teachers and principals in the next few years will be subject to a fluid interplay of supply and demand.</p> <p><u>Latest Position</u></p> <p>The Administration's response was circulated vide LC Paper No. CB(2)1721/04-05 on 30 May 2005.</p>
