3. Issues relating to the development of Radio Television Hong Kong (Commercializing educational television programmes)	14.6.04	The Administration was requested to update the Panel on the progress of commercializing school educational television programmes in due course.	The documents for commercializing the school educational television programmes have been drafted. Tenders will be called once the revenue and legal issues have been cleared with the related bureaux.

<b>Subject</b>	<b>Date of meeting</b>	<b>Follow-up action required</b>	<b>Administration's response</b>
4. Issues related to the regulation of pornographic and violent materials transmitted through the mass media	14.6.04	The Administration was requested to collaborate with the relevant trade associations in developing a set of Code of Practice regulating the selling of video discs for the compliance of the industry.	There is no active trade association for shops selling VCD/DVD. Since July 2004, inspectors of the Television and Entertainment Licensing Authority have briefed shop operators on relevant provisions under the Control of Obscene and Indecent Articles Ordinance during their routine inspections and encouraged them to post a notice on the prohibition of sale and exhibition of category III films to people aged below 18.
