3. The provision of disregarded earnings (DE) under the Comprehensive Social Security Assistance (CSSA) Scheme	13 April 2004	The Administration was requested to expeditiously review the measure of allowing no DE for all categories of recipients in the initial determination of eligibility and in cases which had been on CSSA for less than three months.	The results of the review are expected to be available in late 2005.
4. Briefing by the Secretary for Health, Welfare and Food	8 November 2004	The Administration undertook to seek the advice of the Social Welfare Advisory Committee (SWAC) on the setting up of a second safety net for people who were in financial difficulties but could not pass the means test for CSSA, and revert to members of the views of SWAC on the suggestion.	The subsidized welfare, housing, healthcare and education services already form a safety net and provide assistance for low income groups. The Administration have no plan to consult SWAC on this. Separately the Commission on Poverty will consider measures to alleviate poverty.
5. Provision of infirmary care for elders in a non-hospital setting	13 December 2004	The Administration undertook to provide more details of the tender exercise before the next meeting, including the criteria used in selecting operators to run the trial scheme, justification(s) for inviting private home operators to participate in the exercise, and the reason(s) for setting the unit subsidy for each subsidised infirmary bed in a non-hospital setting as around \$11,000 before the next meeting.	The Administration is considering the best way to provide infirmary care to elders in a non-hospital setting on a trial basis, in the light of feedback from Panel members and the sector during the consultation process.
