

**商業電台對公營廣播檢討的意見：**

商業電台歡迎對公營廣播作公開而全面的檢討，並衷心期望檢討結果可以保障言論自由，特別是讓弱勢社群的聲音得到有效傳播，促進大家正視社會經濟發展過程中衍生的不公平和不公義現象。

只要檢討可以滿足以上前提，我們對公營廣播各可能方案沒有預設的意見。不擬對小組委員會來函列出的各點在現階段提出想法。

**Views on Review Public Service Broadcasting from Hong Kong Commercial Broadcasting Co. Ltd.:**

Hong Kong Commercial Broadcasting Co. Ltd welcomes the government initiative to review public service broadcasting in Hong Kong, and believes it is important for the review to be transparent and comprehensive. We sincerely wish that the outcome of the review would uphold the level of freedom of speech enjoyed in this society; effectively voice out the concerns of the underprivileged; and promote public awareness of the plight of those fall prey to the injustice resulted in the course of the social and economic processes.

Hong Kong Commercial Broadcasting Co. Ltd holds no preconceived opinion regarding the various institutional and procedural options available to public service broadcasting in Hong Kong insofar as the principles stated in the previous paragraph were upheld in the review. We do not wish to submit, at this stage, specific comments on the areas outlined in the invitation letter.
