Hazardous Chemicals Control Bill**

**List of follow-up actions arising from the discussion  
at the meeting on 25 May 2007**

- (1) To explain the policy intent of including an element of "honest belief" for exemption of civil liability for public officers while this is not required in the case of criminal liability.
- (2) To review the drafting of the proposed Committee Stage amendments (CSAs) to clauses 41 and 50A to ensure consistency between the phrases "any act done or conduct engaged in" and "any act done or omitted to be done".
- (3) To reconsider the need for including the phrase "in the course of employment" in the proposed CSA to clause 41(3)(b) when this has already been set out in clause 41(1).
