Subject Cap 169

I write in order to offer my whole hearted support to the government in their efforts to increase the penalties for the Cruelty to Animals Ordinance Cap 169.

It is a clear message to the people of Hong Kong that cruelty to animals is not acceptable in a civilised society.

The legislation has been out dated for many years. Increasing the penalties will help, but ultimately the legislation must be rewritten and broadened in scope. I hope that the AFCD and the whole of Hong Kong Government will strive towards this goal

Yours sincerely
