### **Committee Stage**

The Council went into Committee and considered the **Interception of Communications and Surveillance Bill**.

Question that clauses 1, 16, 19, 53, 54, 61 and 64 stand part of the Bill proposed.

Hon James TO spoke on the clauses and amendments to some of these clauses which had been proposed by him but ruled to be out of order by the President.

The Chairman stated that the aforesaid clauses were grouped together in the Script because Members had not made known any objections to them. She wished to seek Members' cooperation to inform the Secretariat in advance of the clauses on which they had different views, so that debates on them would be provided in the Script.

Hon Emily LAU raised a point of order as to whether Members were allowed to speak on clauses to which no amendments had been moved, after the motion that these clauses stand part of the Bill was proposed. She remembered a previous case in which Members were allowed to debate the question that a clause stand part of bill, after an amendment moved to the clause had been debated and voted down.

The Chairman stated that in that previous case, the clause and the amendment to it were not jointly debated. From this meeting onwards, joint debates would be so stated clearly in the Script. The Chairman stressed that the clauses and amendments to them were grouped in such a way to facilitate Members to prepare for debates on the provisions, and not to restrict Members' freedom of speech.
