Dear Miriam,

Constitutional Development

I am writing to request that the subject of constitutional development in 2007/08 be included in the agenda of the House Committee Meeting to be held on 21 October 2005.

The subject of constitutional development is a subject of great public interest. Accordingly, I propose that the House Committee should discuss at the earliest opportunity (i.e. at the 21 October meeting), as to how the Legislative Council should follow up on the matter, as and when the Fifth Report of the Constitutional Development Task Force is released.

I look forward to receiving your favourable consideration.

Yours sincerely,

Bernard Chan
