Dear Andy,

**Meeting of Panel on Economic Services on 26 June 2006
“Pilot Scheme to Promote Green Tourism in
Northeast New Territories”**

At the meeting of the Legislative Council Panel on Economic Services (ES Panel) on 26 June 2006 when LC Paper No. CB(1)1805/05-06(04) on the captioned item was discussed, the Chairman asked the Tourism Commission to confirm whether public toilets had been provided within walking distance from the existing piers in the pilot areas.

We would like to confirm that all existing public piers in the pilot areas are provided with public toilets within walking distance. There are public toilets within two minutes' walking distance from the piers in Ap Chau, Kat O, Tap Mun, Tai Mei Tuk, Ma Liu Shui and Tung Ping Chau. Those in Lai Chi Wo and Wu Kai Sha are about five minutes' walk from the piers.

We should be grateful if you would bring the above information to the attention of the ES Panel.

Yours sincerely,

(Mrs Winifred CHUNG)
for Commissioner for Tourism
