

**LegCo Panel on Financial Affairs
Meeting on 5 June 2006**

List of follow-up actions to be taken by the Administration

Briefing by the Financial Secretary on Hong Kong's latest overall economic situation

1. The Administration is requested to provide analyses on households with average monthly household income below \$5,000 in addition to the analyses on households with average monthly household income below \$4,000 provided in the Annex to the paper provided by the Administration (LC Paper No. CB(1)1610/05-06(04)).
2. Noting that units in some industrial buildings have been left vacant in recent years, a member expresses concern on how the vacant units could be put into effective use. In this connection, the Administration undertakes to provide information on the latest vacancy rate in industrial buildings for the Panel's information.
