

Panel on Planning, Lands and Works

**Motion passed under the agenda item of
"Planning issues relating to the reprovisioning of the Star Ferry Pier in
Central including the proposed preservation of the building structure and
clock tower of the existing Star Ferry Pier"
at the special meeting on 20 September 2006**

(Wording of the motion moved by Hon Alan LEONG Kah-kit
and seconded by Dr Hon KWOK Ka-ki)

(Translation)

"That the Panel urges the Government to defer its plan to demolish the existing Star Ferry Pier and its clock tower in Central and to incorporate, upon extensive public consultation, the existing clock tower together with the relevant building structures into the future new development plan for the Central District, with a view to preserving, on a people-oriented basis, the historical traces that form part of the collective memory."
