Public Bus Services Ordinance  
(Chapter 230)

### **PUBLIC BUS FRANCHISEES' SCHEDULE OF ROUTES ORDERS**

#### **INTRODUCTION**

At the meeting of the Executive Council on 4 July 2006, the Council **ADVISED** and the Chief Executive **ORDERED** that, the Schedule of Routes Orders\* (“the Orders”) should be made under section 5(1) of the Public Bus Services Ordinance (“the Ordinance”) for Kowloon Motor Bus Company (1933) Limited, Citybus Limited, New World First Bus Services Limited, New Lantao Bus Company (1973) Limited and Long Win Bus Company Limited, to formalise their service changes introduced during the period between 8 November 2004 and 30 April 2006.

---

\* Note: The Schedule of Routes Orders are available for Members’ inspection at the Legislative Council Secretariat

## **JUSTIFICATIONS**

2. The service changes have been made to better serve the travelling public and to improve the efficiency of bus operation. They should be formalised to ensure the continued provision of these services.

## **THE ORDERS**

3. The following changes to the services of the five franchised bus companies were introduced under section 15(1) of the Ordinance between 8 November 2004 and 30 April 2006, with the agreement of the franchised bus companies concerned -

- (a) Kowloon Motor Bus Company (1933) Limited introduced one new route, cancelled four routes and made alterations to 107 routes;
- (b) Citybus Limited operates two bus franchises. The company introduced one new route, cancelled three routes and made alterations to 24 routes in respect of its franchise for Hong Kong Island and cross-harbour bus services. The company also introduced two new routes and made alterations to nine routes in respect of its franchise for North Lantau and Chek Lap Kok Airport bus services;
- (c) New World First Bus Services Limited cancelled six routes and made alterations to 36 routes;

- (d) New Lantao Bus Company (1973) Limited cancelled two routes and made alterations to six routes; and
- (e) Long Win Bus Company Limited introduced three new routes and made alterations to nine routes.

In making these changes, we had regard to our policy objective to rationalise bus services on busy corridors to help relieve traffic congestion and improve air quality, whilst ensuring that demand for bus services would be appropriately met. These changes have been specified in the Orders.

#### **LEGISLATIVE TIMETABLE**

4. The legislative timetable will be as follows –

Publication in the Gazette	7 July 2006
Tabling at the Legislative Council	12 July 2006
Commencement	8 November 2006

#### **IMPLICATIONS OF THE PROPOSAL**

5. The proposal is in conformity with the Basic Law, including the provisions concerning human rights, and does not have any implication on the binding effect of the Ordinance. The economic implication of the proposal as advised by Government Economist is set out in **Annex**. The

proposal has no productivity, financial or civil service implications. It does not have any major environmental or sustainability implications.

## **PUBLIC CONSULTATION**

6. The District Councils concerned were consulted on the major service changes before the changes were introduced under section 15(1) of the Ordinance. They generally supported the changes which have been implemented.

## **PUBLICITY**

7. The brief is issued for Legislative Council Members' reference.

## **BACKGROUND**

8. Under section 5(1) of the Ordinance, the Chief Executive in Council may grant any registered company the right to operate a public bus service on such routes as he specifies by order. The routes so specified form the franchised bus networks of the relevant bus franchises.

9. The franchised bus network needs to be adjusted from time to time to meet the changing transport needs of the community. Section 15(1) of the Ordinance provides that the Commissioner for Transport may, after consultation with the bus companies, require them to introduce new routes and make alterations to specified routes on a temporary basis where appropriate. Such changes may take effect for a period up to 24 months (the relevant period) only and will expire upon expiry of the relevant period

unless they are specified in the Orders made by the Chief Executive in Council under section 5(1) of the Ordinance before expiry of the relevant period.

10. The existing Orders were approved by the Chief Executive in Council in December 2004 formalising changes to bus routes up to end September 2004. It is now necessary to make new Orders to enable the service changes introduced between 8 November 2004 and 30 April 2006 to continue to take effect.

## **ECONOMIC IMPLICATIONS**

Under the proposal, new Schedule of Routes Orders would be made to formalise the bus service changes introduced during the period between 8 November 2004 and 30 April 2006. Such changes were made to better serve the travelling public and to improve the efficiency of bus operation and some of the changes have helped relieve traffic congestion. Formalising these changes would cause positive economic benefits to the public and the bus companies.
