The Society of Hospital Pharmacists of Hong Kong

醫院管理局在 2000 年 4 月 1 日把藥劑師的入職起薪點由以往的 27 下調至 22，當時所造成的同工不同酬問題一直未有解決。

若醫院管理局調高新入職公務員的薪酬，對 2000 年 4 月 1 日之後入職的藥劑師是不公平的，而且將增加新舊同業之間的矛盾及分化。

本學會希望政府能正視員工的待遇及士氣。

Hospital Authority has changed the starting salaries of Pharmacist from point 27 to point 22, since then the problem of unfairness has not been resolved.

If the Hospital Authority increase the starting salaries, it is unfair to the current pharmacists employed since 1st April 2000; also it will induce the problem of disunion and discrepancy.

We hope our government can take this matter seriously.

Mr. So Yiu Wah

Vice President
