Bills Committee on Energy Efficiency (Labelling of Products) Bill  
Legislative Council Building  
8 Jackson Road  
Central

Dear Miss Yu,

**Bills Committee on Energy Efficiency (Labelling of Products) Bill**  
**Action item 2 arising from the discussion at the meeting on 27 November 2007**

We consulted the two trade task forces set up by the Electrical and Mechanical Services Department at their meetings in December 2007 on the proposed penalty of imprisonment for the offence of unauthorized use of energy labels under clause 12 of the Bill and the proposed increase of fine from level 1 to level 6 for failing to give notice to other suppliers about the removal of a reference number under clause 18. Members of the two trade task forces raised no objection to the said proposed amendments.

Yours sincerely,
