To,  
Clerk to Bill Committee on,  
Race Discrimination Bill .

Dear Sir,

Sub: 10<sup>th</sup> January 2007 Legco Meeting.

Problem of ethnic minorities in Hong Kong.

- 1) Education: Ethnic Minorities students are having problem to get vacancy in the schools because of not enough School for them. There is only 10 schools for primary & 5 schools for secondary level.
- 2) Hospitals : Waiting time for accident & emergency department is 3-4 hours to see doctors with \$100 fee.  
Hospital Authority must hire more doctors for fast & convenient service. EM people having language Problem they need translator, it is very inconvenient to keep waiting somebody with patient so long time.
- 3) Road Poster and Banner : EM people in Hong Kong don't understand poster & banner in the road due to Chinese language. To do favor for EM in HK, Gov of SAR should make a rule for make banner & poster in both languages. I.e., English & Chinese.

- 4) Job Seeking: Labour Department used to send job vacancy for non-Chinese to DAB-Ethnic Minorities service centre. We sent people on those posts but they don't want to hire EM. Somebody said no vacancy, somebody said we already hired & somebody shows language problem. Labour department may make sure, those vacancies which confirm to hire EM people than send to DAB-Ethnic Minorities service centre.
- 5) Race discrimination bill should approved by legco as soon as possible.
- 6) Immigration: Ethnic Minorities resident in Hong Kong having big problem about their parents to bring as a dependents resident in Hong Kong because HK Immigration policy, under age of 60 years old not allowed visa to Hong Kong. Ethnic Minorities people appeal to Gov of HK & legco president, to think about this problem & change the policy about 50-55 yrs old, parents should allowed to get dependent visa from their children & stay with them.

Yours truly,

K. M. Malik  
Chairman of Pakistan Islamic Welfare Union Inc. (HK) Ltd.
