Dear Mrs TONG,

**Bills Committee on Shenzhen Bay Port
Hong Kong Port Area Bill Meeting on 20 March 2007**

Pursuant to the discussions at the meeting of the Bills Committee on Shenzhen Bay Port Hong Kong Port Area Bill on 20 March 2007, I provide below information about current arrangement to import frozen meat from the Mainland through a designated land boundary control point.

It has been agreed by both HKSAR and Shenzhen that fresh food products, including frozen meat, being transported by vehicles, would continue to go through Man Kam To Control Point in the future. The HKSAR Government has set up the required infrastructure, such as food laboratory facilities, radioactivity detector, etc. for inspecting and testing the targeted food products at the control point.

Yours sincerely
