

Dear Honourable Legislative Councillors,

With reference to our letter dated 28 Nov 2007 (LC Paper No. CB(2)460/07-08(02), we would like to add the following:

If the SEN parent representative is going to be elected by all parents, we would like to express our concerns about the election procedure as follows:

1. What mechanisms are in place to make sure the election is fair and transparent?
2. What steps will be taken to ensure equal participation by all parents?

Without addressing these issues, we do not feel confident that the SEN parent representative elected will be someone who is fully conversant with the needs and concerns of SEN parents.

Best regards,

A group of KGV SEN parents.

30 November 2007.
