Dear Miss Yu,

**Finance Committee  
Follow-up to meeting on 22 June 2007**

I refer to your letter dated 25 June 2007 addressed to the Secretary for Financial Services and Treasury.

At the FC meeting on 22 June 2007, the Administration was requested to advise the findings of the assessment on the demand for pedestrian crossing facilities linking with the new campus up to 2016. As we advised Members at the meeting, the Vocational Training Council (VTC) will engage its traffic consultant to review the traffic impact study taking into account development of road works in the whole district up to 2016. The study is expected to be completed by the end of this year. VTC will then report findings to the Sai Kung District Council.

At the same meeting, the Administration was also requested to give consideration to planting more trees outside the campus site. After the meeting, we have conveyed Members' suggestion to the Transport Department and the Leisure and Cultural Services Department for consideration.

Yours sincerely,

(Bryan Ha)
