**Motion on
“Developing co-operative relationship with the Mainland”
moved by Hon Jasper TSANG Yok-sing
at the Legislative Council meeting
of Wednesday, 11 July 2007**

Motion as amended by Hon Audrey EU Yuet-mee

“That, as Hong Kong’s relationship with the Mainland is increasingly close since its reunification with the motherland, and experience has proved that enhancing co-operation between the two places can bring about a mutually beneficial and win-win effect, this Council urges the Government to continue to develop its co-operative relationship with the Mainland on all fronts, especially on issues concerning immigration policies, environment, air quality and food safety, and to set up a co-operation mechanism which is permanent and efficient, covering more areas and levels, to undertake overall planning, co-ordination and policy formulation on important issues concerning co-operative development.”
