Dear Ms. Hon,

**The Director of Audit's Report on the  
results of value for money audits (Report No. 48)  
Chapter 4 : Management of government fresh food wholesale markets**

I refer to paragraph 2 of your letter dated 7<sup>th</sup> May 2007 concerning action to be taken by this department to assist AFCD in the advertising proposal.

We envisage that following consultation by AFCD with the relevant parties including Government Property Agency, Planning Department and Arch. Services Department and finalization of their intentions they should provide this Department with details of the proposed commercial advertising activities on the roof or external walls of the market premises and the proposed modifications to the land documents. Thereafter, LandsD will circulate the proposed modifications to any other relevant Government departments not mentioned above for consideration. Should there be no adverse comments, the proposal would be submitted to the District Lands Conferences for approval.

LandsD stands ready to meet with AFCD and other departments concerned to clarify any questions related to the above subject.

Yours faithfully,

(H.K. NG)  
for Director of Lands
