**Proposed timing  
for discussion**

- 18. Separation of prescribing from dispensing of drugs** To be confirmed

Item proposed by Dr Hon YEUNG Sum.

The item was last discussed by the Panel at the meeting on 28 June 2005, during which the Administration advised that its position was that the matter would require thorough discussion by the stakeholders and the community at large, and the Administration would continue to listen to views and engage the parties concerned in the discussion before deciding the way forward.

- 19. Waiving the fees and charges of needy Two Way Permit holders who are spouses of Hong Kong Identity Card holders for use of public health care services** To be confirmed

Referred for follow-up by the Panel for Health Services and the Panel for Welfare Services by Duty Roster Members following their meeting with a deputation on 19 July 2006.

- 20. Report on “Substitute decision-making and advance directives in relation to medical treatment”** To be confirmed

The above report was published by the Law Reform Commission of Hong Kong in August 2006.

- 21. Registration of Chinese medicine practitioners** November 2006

During the scrutiny of the Certification for Employee Benefits (Chinese Medicine) (Miscellaneous Amendments) Bill 2005, the Administration agreed to provide a paper to the Panel on Health Services on ways to assist listed Chinese medicine practitioners (CMPs) seeking to become registered CMPs as soon as possible, subject to discussion of the Chinese Medicine Council.

- 22. Subsidiary legislation to be made under the Human Reproductive Technology Ordinance** November 2006

Item proposed by the Administration.
