change in shareholding in PCCW Limited and cross-media ownership**

Thank you for your letter of 11 December 2006 inviting the Chairman and members of the Broadcasting Authority (BA) to attend the above meeting. I reply on behalf of the BA.

As noted in the press release dated 5 January 2007 issued by the BA (attached), the BA has pursuant to section 10(1) of Schedule 1 to the Broadcasting Ordinance (BO) (Cap. 562) required PCCW Media Limited (PCCW Media) and other relevant parties to give information as to the voting controllers of PCCW Media.

However, in view of the requirement to give information described above, the BA would prefer not to participate in public discussion on the issues at this stage in its deliberations. Therefore, I regret to inform you that the BA will not attend the meeting.

Following the vote by the minority shareholders of Pacific Century Regional Developments Limited (PCRD) on November 30, 2006, against the proposed sale of approximately 23% of shares in PCCW Limited by PCRD to Fiorlatte Limited and Mr Francis Leung Pak-to, the authority has been pursuing enquiries with PCCW Media in relation to Mr Richard Li Tzar-kai's involvement in PCCW Media, through the holding company PCCW Limited, and a local newspaper.
