

Panel on Transport

List of follow-up actions

(position as at 23 October 2006)

Subject	Date of meeting	Follow-up action required	Latest position / Administration's response
1. West Hong Kong Island Line, South Hong Kong Island Line and Route 4	25.2.05	<p>At the meeting, the Panel passed the following three motions-</p> <p>“In view of the fact that the residents of the Western District of Hong Kong Island have been striving for the construction of the West Hong Kong Island Line (WIL) for as long as 20 years, this Panel urges the Government to expeditiously reach an agreement with the MTR Corporation Limited on the construction of WIL which will connect Sheung Wan with Kennedy Town, so as to fully meet the transport needs of the residents of Western District of Hong Kong Island.”</p> <p>“In order to resolve the long-standing transportation problems faced by both the Western and Southern Districts of Hong Kong Island, this Panel supports the early implementation of the railway and road network development plans in these areas,</p>	A Legislative Council Brief on the subject was issued to Members on 30 June 2005.

Subject	Date of meeting	Follow-up action required	Latest position / Administration's response
		<p>including a westward extension of the MTR Island Line to Kennedy Town at the earliest time possible, which must have stations located at Sai Ying Pun and the University, as well as the early construction of the South Island Line and Route 4. This Panel urges the Government to proactively discuss with the MTR Corporation Limited to work out a financial arrangement which is in the best interests of the public, so that the relevant works can commence soon, and there should be full consultation with local residents on the location and design of the new railway stations.”</p> <p>“This Panel urges the Government to expedite the comprehensive planning and implementation of tourism and commercial developments in the Southern District of Hong Kong Island, and also discuss with the MTR Corporation Limited the construction of a cost-effective South Island Line, so as to ensure that there will be adequate transport facilities to support the development of the Southern District and to cater for the transport needs of local residents.”</p>
