

**Bills Committee on
West Kowloon Cultural District Authority Bill**

**Further Committee Stage Amendments intended to be
proposed by the Administration**

Purpose

In the light of Members' views expressed at the Bills Committee on 12 June, we intend to propose further amendments to the West Kowloon Cultural District Authority Bill on top of the 4 batches of proposed Committee Stage Amendments (CSAs) introduced at earlier Bills Committee meetings in the following aspects.

Clause 4(2)(1)

2. We intend to include the element of “**community** (社會)” in Clause 4(2)(1) such that one of the objectives of the West Kowloon Cultural District Authority (“WKCD”) is to encourage **community**, commercial and corporate support and sponsorship of arts and culture.

Clause 6(3)(c)(iii)

3. We intend to include “**landscape architecture** (園境學)” as a category of experience which may render an individual suitable for appointment by the Chief Executive under Clause 6(3)(c)(iii).

New Clause 17A

4. We will consider amending the Chinese rendition of “consultation panel” from “諮詢小組” to “諮詢會”.

5. We also intend to amend the new Clause 17A(3) such that the WKCD shall have regard to the purpose for which the panel is established when appointing its members.

6. A full set of the CSAs proposed to be moved by the Administration will be issued early next week for Members' information.
