**I. Confirmation of minutes of meeting**  
(*LC Paper No. CB(2)1420/07-08*)

The minutes of meeting held on 11 March 2008 were confirmed.

**II. Meeting with the Administration**

2. The Bills Committee deliberated (index of proceedings at **Annex**).

3. At the request of the Bills Committee, the Administration undertook to provide a response to the following issues raised at the meeting -

- (a) safeguards should be provided for persons placed under isolation/quarantine other than judicial means such as judicial review;
- (b) definition of "requisition";

- (c) justifications for not providing in the Bill that the Chief Executive in Council would declare a state of public health emergency and review the situation from time to time to decide whether the public health emergency still existed as in the Patents Ordinance (Cap. 514);
- (d) whether it was appropriate for the Legislative Council to vet the Public Health Emergency Regulation through a negative vetting procedure given its impact on the public; and
- (e) whether consideration would be given to providing compensation to people isolated/quarantined for the financial loss they suffered during the period of isolation/quarantine, having regard to the practice in other jurisdictions.

4. Assistant Legal Adviser 4 requested the Administration to refer to section 125 of the Victoria Health Act and section 122 of the Australian Capital Territory Public Health Act quoted in LC Paper No. CB(2)1170/07-08(01) prepared by the Administration for the meeting on 28 February 2008, as these provisions seemed to imply that compensation would be provided to persons placed under isolation. The Administration undertook to study the provisions and revert in writing.

- 5. The Chairman reminded members that the next meeting had been scheduled for 8 April 2008 at 10:45 am.
