Statements

The President stated that under Rule 28(2) of the Rules of Procedure, no debate might arise on the statement made by a designated public officer but the President might in her discretion allow short questions to be put to the public officer making the statement for the purpose of elucidating it. In this regard, she had taken the initiative to propose to the Committee on Rules of Procedure to amend the Rules of Procedure so that the President could allow Members to raise short questions on a statement, not necessarily for the purpose of elucidating it. She learnt that the Committee on Rules of Procedure had agreed to the arrangement, but it was still in the proposal stage as the amendment had yet to be presented to the Council for consideration. In view of this, she still had to act according to the current provisions of the Rules of Procedure. She would therefore only allow short questions raised for the purpose of elucidating the statement.

The Chief Secretary for Administration made a statement on the Report on Hong Kong's Constitutional Development by the Chief Executive to the Standing Committee of National People's Congress.

Ten Members sought elucidation of the statement and the Chief Secretary for Administration replied.
