Promoting the introduction of monthly ticket and student fare concessions to all MTR lines

Hon LAU Kong-wah moved the following motion and addressed the Council:

That, in view of the fact that after the rail merger, the MTR Corporation Limited (MTRCL) has not introduced the monthly ticket concessions offered by the Kowloon-Canton Railway Corporation and the student fare concessions offered by the former MTR Corporation to all its rail lines, thus creating unfair situations, this Council urges the Government to discuss with MTRCL to promote the introduction of the above two types of fare concessions to all MTR lines, so as to eliminate the present unfair situations and benefit all passengers.

While Hon LAU Kong-wah was addressing the Council, the President left the chair at 1:50 pm temporarily and the President's Deputy, Hon Fred LI, took the chair.

Rebuilding the local agriculture and fisheries industries

Hon WONG Yung-kan moved the following motion and addressed the Council:

That, as the HKSAR Government does not render support to the development of the local agriculture and fisheries industries and even continues to reduce their room for survival, causing Hong Kong to depend almost totally on the Mainland and other areas for its food supply; with the increased spending power of people on the Mainland, coupled with the tight supply of food due to various factors affecting food production, directly resulting in the decrease in the quantity of food supplied to Hong Kong, and as the role of local agricultural and fishery products as a supplementary source of food supply in the past has significantly diminished, people in Hong Kong are suffering severely from the recent substantial increase in food prices; as such, this Council urges the Government to seriously study the strategy on food supply to Hong Kong, redefine the appropriate role of the local agriculture and fisheries industries and put forward relevant measures, so as to ensure a stable supply of quality and safe food for the community; the relevant measures should include:

- (a) studying the zoning of designated areas for exclusive use by the agriculture and fisheries industries, once again enabling the agriculture and fisheries industries meeting hygiene and environmental requirements to develop in a sustainable manner, and further developing organic farming in Hong Kong;
- (b) formulating policies on the sustainable development of the agriculture and fisheries industries, assisting the local capture fishery to develop in the off-shore direction, developing the local quality aquaculture industry, and studying the development of Hong Kong into a distribution centre for aquatic products, so as to tie in with the development of the aquaculture industry;
- (c) keeping in tune with the major development trend of the international agriculture and fisheries industries, striving to improve the ecological environment in Hong Kong, and stepping up efforts to promote the development of the integration of agriculture and fisheries industries with leisure activities;
- (d) strengthening the quality management, integrated scientific research and development and professional training in the local agriculture and fisheries industries, so as to make available sufficient professionals for the industries and ensure that local agricultural and fishery products are of high quality and safe; and

- (e) establishing a fast-track vetting mechanism for providing emergency relief to operators in the industries affected by natural disasters, and taking into account the scale of operation and business-related price indexes in relaxing the restriction on the provision of relief to the industries and assisting those affected to resume operation, as well as setting the interest of various loans related to the agriculture and fisheries industries at a standardized low rate, so as to support the development of the industries.

Question on Hon WONG Yung-kan's motion proposed.

The President stated that Hon Fred LI intended to move an amendment to the motion. In accordance with the Rules of Procedure, the motion and the amendment would be debated together in a joint debate.

Hon Fred LI moved the following amendment to Hon WONG Yung-kan's motion and addressed the Council:

To delete "the HKSAR Government does not render support to the development of the local agriculture and fisheries industries and even continues to reduce their room for survival, causing" after "That, as"; to delete "to depend" before "almost totally" and substitute with "has to depend"; to delete "as the role of local agricultural and fishery products as a supplementary source of food supply in the past has significantly diminished," after "quantity of food supplied to Hong Kong, and"; to add "consult the public," after "urges the Government to"; to add "expeditiously introducing a bill on the protection of agriculture and fisheries industries," after "(b)"; to add "including setting timetables for the designation of 'fisheries protection areas' and 'no-take zones' in Hong Kong so that marine biodiversity in Hong Kong waters can be preserved in a state of respite," after "the sustainable development of the agriculture and fisheries industries, "; to add "in rebuilding" after "assisting"; to delete "to develop" after "the local capture fishery" and substitute with "and its development"; to add "protect and" after "striving to"; to delete "stepping up efforts to promote the development of the integration of agriculture and fisheries industries with leisure activities" after "the ecological environment in Hong Kong, and" and substitute with "setting up a fund to facilitate the transformation of the local agriculture and fisheries industries, and developing non-exploitative ecological and leisure activities"; and to delete "in relaxing the restriction on the provision of relief to the industries and assisting those affected to resume operation" after "price indexes" and substitute with ", and under the principle of effective utilization of public funds, in offering assistance to the industries prudently".

Question on Hon Fred LI's amendment to Hon WONG Yung-kan's motion proposed.

The Secretary for Food and Health spoke on the motion and the amendment.

Seven Members spoke on the motion and the amendment.

Hon WONG Yung-kan spoke on the amendment.

The President said that while Hon WONG Yung-kan was speaking, Hon CHAN Yuen-han indicated that she wished to speak on the motion. The President pointed out that the Rules of Procedure did not empower her to disallow Hon CHAN Yuen-han's request to speak. However, it was not the first time Hon CHAN Yuen-han was not in the Chamber in the course of a debate and returned to the Chamber only after the mover of the motion had spoken on the amendment(s). The President added that on a previous occasion, a Member was not in the Chamber when other Members debated a motion for five hours. The Member then requested to speak at the same stage of the proceedings on a motion. She had asked that Member to explain the reasons for his request but he did not. He only criticized her for being unfair to him as she had allowed Hon CHAN Yuen-han to speak in a similar situation before. The President hoped that when she spoke, Hon CHAN Yuen-han would explain why she was not in the Chamber earlier.

Hon CHAN Yuen-han explained her absence and then spoke on the motion and the amendment.

Another Member spoke on the motion and the amendment.

The Secretary for Food and Health spoke again.

Question on Hon Fred LI's amendment to Hon WONG Yung-kan's motion put.

Hon WONG Yung-kan claimed a division. The President then ordered the Council to proceed to a division under Rule 47(1) of the Rules of Procedure.

The President announced that among the Members returned by functional constituencies, 14 were present, five were in favour of the amendment, four against it and five abstained; while among the Members returned by geographical constituencies through direct elections, 20 were present, 13 were in favour of the amendment, two against it and four abstained. (Voting record in Appendix II.) Since the question was not agreed by a majority of each of the two groups of Members present, she declared that the amendment was negatived.

Hon WONG Yung-kan replied.
