<b>Part 2 – Objectives and Case Management Powers</b>

See <b>CJRS 3/2008</b> .
O.2	- Taking into account the Subcommittee’s comments and deputations’ comments, the Steering Committee will amend O.2 to exclude the application of the proposed sanctions from pre-action protocol and practice direction. See

<b>Order / Rule</b>	<b>Consideration and Revised Amendments Proposed</b>
	<p><b>CJRS 5/2008.</b></p> <ul style="list-style-type: none"><li>- Consequential to the above revisions, amendments will be proposed to Orders 1, 22 and 62.</li></ul>
<b>Part 4 – Commencement of Proceedings</b>	
O.118 & O.119	<ul style="list-style-type: none"><li>- Having considered the Subcommittee’s comments, the Steering Committee will amend O.118, r.4(1) and O.119, r.4 to make it clear that the proceedings dealt with by these orders are ex parte in nature and specify that the form to be used is an originating summons in Form No. 11 at Appendix A of the RHC. See <b>CJRS 20/2008.</b></li></ul>
<b>Part 6 – Default Judgments and Admissions</b>	
O.13A, r.10	<ul style="list-style-type: none"><li>- Taking into account the Subcommittee’s views, the Steering Committee will amend O.13A, r.10 and the Explanatory Notes in the Forms 16 and 16C to set out that, if the plaintiff does not accept the defendant’s proposal for payment, the Court will decide how the payment should be made, taking into account (i) the information set out by the defendant in the admission form, (ii) the plaintiff’s objections set out in the request for judgment, and (iii) any other relevant factors. See <b>CJRS 19/2008.</b></li></ul>
Forms 16 and 16C	<ul style="list-style-type: none"><li>- The Steering Committee has agreed to the Subcommittee’s suggestion to add a notice to the Explanatory Notes in Forms No. 16 and 16C to alert a defendant making an admission and proposals for payment terms that he will not normally be allowed to resile from his admission, if the plaintiff does not accept his proposal. See <b>CJRS 19/2008.</b></li></ul>

<b>Order / Rule</b>	<b>Consideration and Revised Amendments Proposed</b>
<b>Part 7 – Pleadings</b>	
Forms 1 and 14	- The Steering Committee has agreed to the Subcommittee’s suggestion to set out in the relevant forms the requirement that the pleading should be verified by a statement of truth. See <b>CJRS 19/2008</b> .
<b>Part 8 – Sanctioned Offers and Payments</b>	
O.22, r.5	- The Steering Committee has proposed to delete O.22, r.5(6)(b) as it is unnecessary to require the offeror of a sanctioned offer to file with the Court a certificate of service of the offer. Raised at the Subcommittee meeting on 18.4.2008.
O.22, r.19	- The Steering Committee has proposed to introduce a provision similar to O.22, r.20(2) so that a plaintiff and defendant would be subject to the same financial sanctions for non-acceptance of a sanctioned offer/payment. Raised at the Subcommittee meeting on 18.4.2008.
O.22, r.23	- The Steering Committee has proposed amendments to clarify that the money is deemed to be a sanctioned payment on the date the sanctioned payment notice is served on the offeree, and the notice in r.23(2)(a) is deemed to be sanctioned payment notice; and in the case of pleading a plea of tender, the date the plea is served. See <b>CJRS 19/2008</b> .
O.22	- The Steering Committee has proposed to add a provision to require that the notice of acceptance of plaintiff’s sanctioned offer should be given to other defendants, who may then apply to the court as regards costs or other directions. This is to cater for the issue of costs (if any) between the defendants, in the

<b>Order / Rule</b>	<b>Consideration and Revised Amendments Proposed</b>
	event that only one or more, but not all, defendants accepted the plaintiff's sanctioned offer. See <b>CJRS 20/2008</b> .

O.25, r.1C	- The Steering Committee has proposed to amend O.25, r.1C to clarify that –  (a) If both the plaintiff and counterclaiming defendant have not appeared at the case management conference (“CMC”) or pre-trial review (“PTR”), the claim and counterclaim shall be provisionally struck out, subject to a period of 3 months for restoration; and  (b) If the plaintiff has not appeared at the CMC or PTR, but the counterclaiming defendant has, the counterclaim should not be struck out and the defendant may proceed with his counterclaim, notwithstanding the plaintiff's claim is provisionally struck out.  See <b>CJRS 20/2008</b> .
<b>Part 13 – Interlocutory Applications</b>	
O.32, r.11A	- Taking into account the comments from Professor Eric CHEUNG in his submission dated 29.2.2008 [LC Paper No. CB(2)1255/07-08(01)], the Steering Committee will amend O.32, r.11A(4) to make it clear that it is subject to any
