

## **Submissions of the Law Society of Hong Kong**

### **Trade Descriptions (Provisions of Information on Regulated Electronic Products) Order (L.N. 81 of 2008)**

#### **Sale of Second-hand Products**

We note the Administration confirmed the requirements in section 3 of the Order would apply to the sale of second-hand products (see the Administration's letter to the Assistant Legal Adviser of Legco, 5 May 2008, p.7). However, the Administration's reply did not indicate whether any consultation had taken place with retailers on whether there would be difficulties in complying with the requirement to issue invoices and receipts for second-hand electronic products, as pointed out in the Assistant Legal Adviser's Letter to the Administration, 28 April 2008, p.2.

The Administration should explain clearly how retailers are expected to fully comply with these requirements.
