Dear Ms Lau

Subcommittee on Building (Planning) (Amendment) Regulation 2008
Meeting on 10 June 2008

Thank you for your letter dated 30 May 2008 inviting the Institute to present views on Building (Planning) (Amendment) Regulation 2008.

The Institute supports in principle the amendment of Building (Planning) Regulation to enhance the provision of a barrier free environment for persons with a disability. On its implementation, the Institute would like to register its request that the Administration should give due considerations to the physical constraint in individual premises and exercise maximum flexibility as permitted under the provisions of the relevant regulations.

Yours sincerely

Rita Cheung (Mrs)
Registrar
