**3. Improvements to the University-Industry Collaboration Programme under the Innovation and Technology Fund**

At the meeting on 17 July 2007, some members expressed concern that the proposed relaxation of geographical requirement under UICP would create opportunities for foreign companies to abuse the Scheme. To address members' concerns, ITC undertook to consult concerned stakeholders and further deliberate on the proposal. To this end, ITC issued a consultation paper to 20 local academia, trade associations and professional bodies and invited their comments on the proposal. ITC had also posted the paper on ITC's website to collect views from the public. The consultation exercise ended on 4 November 2007. Some submissions from the local universities, trade associations and professional bodies were received. The Administration is considering the views received and will consult the policy bureau before reverting to the Panel.

Centres and updated members of their progress achieved since their establishment in April 2006 to June 2007. The Administration undertook to report to the Panel the income and expenditure of the R&D Centres on an annual basis and to provide the requisite information (i.e. the total cost of each project, the actual level of industry contribution secured by the Centre for each project, and the administrative cost involved for each project) in the future progress reports.

**8. Progress report on Hong Kong Design Centre (HKDC)**

At the Panel meeting held on 17 April 2007, the Panel supported in principle the Administration's funding proposal to provide \$100 million to support the operation of HKDC as it would be conducive to the development of local enterprises as well as the long-term economic development of Hong Kong. The Administration undertook to report to the Panel on a regular basis the progress of the work of HKDC and the relevant initiatives taken to promote design and innovation. Following consultation with the Panel, the above funding proposal was approved by the Finance Committee on 25 May 2007.
