*Note: The Administration has advised that to combat the problem of maintenance payers deliberately trying to evade service of judgment summons, the Home Affairs Bureau (HAB) is working on legislative amendments to relax the requirement for judgment summonses to be served personally. At the informal meeting between the Panel Chairman and the Secretary for Home Affairs (SHA) on 30 October 2007, the Panel Chairman requested that the issue of setting up an intermediary body for collection of maintenance payments be considered in the context of this legislative proposal.*

**2. Membership of the Full Council and Executive Committee of Heung Yee Kuk (HYK)**

At the meeting of the Duty Roster Members (DRMs) with representatives of the Association of the New Territories (NT) Indigenous Residents on 16 December 2002, the latter expressed dissatisfaction with the Heung Yee Kuk (HYK) Ordinance (Cap. 1097) under which the NT Justices of the Peace (JPs) served as Ex Officio Councillors of the Full Council and Ex Officio Members of the Executive Committee of HYK. The Administration has proposed to discuss this item along with item 4 on traditional rights and interests of indigenous villagers of NT.

*Note: The Administration has advised that it does not propose to discuss this item and item 4 in the near future as more research work has to be carried out so that the discussions will be fruitful.*

**3. Promotion of youth development**

**4. Traditional rights and interests of indigenous villagers of NT**

At the Legislative Council (LegCo) Members' meetings with HYK Councillors on 10 June 2003 and 2 March 2004, issues relating to the enactment of legislation to implement Article 40 of the Basic Law and exemption from payment of Government rent were discussed. **5. Impact of authorised football betting and measures to address gambling-related problems**

After its scrutiny of the Betting Duty (Amendment) Bill 2006, the Bills Committee agreed that issues concerning measures to address gambling-related problems and the scope of services financed by the Ping Wo Fund be referred to this Panel for discussion.

*Note: HAB has commissioned the Hong Kong Polytechnic University to review the effectiveness of the four pilot gambling counselling and treatment centres funded by Ping Wo Fund. The Fund would map out the way forward having regard to the operational experience gathered from the two new centres which were commissioned in early 2007, the findings of the review and advice from the Ping Wo Fund Advisory Committee. When the Bills Committee on Statute Law (Miscellaneous Provisions) Bill 2005 discussed a proposed amendment to the Legal Aid Services Council (LASC) Ordinance (Cap. 489) on extending the deadline for LASC to submit its annual report, some members expressed concern that there should be consistency in the time limit within which statutory bodies should submit their annual reports. HAB has then agreed to include review of the time limit for submission of annual reports by statutory bodies in its current review of advisory and statutory bodies.

*Note: HAB will report to the Panel in May.*

**8. Review of the Personal Data (Privacy) Ordinance (Cap. 486)**

The Panel on Information Technology and Broadcasting (ITB Panel) discussed the subject of "Information Security" with the Administration and the Privacy Commissioner for Personal Data at its meeting on 17 March 2006. Members of the ITB Panel shared the Privacy Commissioner's view that since the Personal Data (Privacy) Ordinance (the Ordinance) had been in force for a decade, a thorough review of the Ordinance should be conducted. It was agreed at the meeting that this Panel should be requested to follow up with the Administration and the Privacy Commissioner on the review of the Ordinance.

following up on the request.

**9. Amendments to the Sex Discrimination Ordinance (SDO) and the Disability Discrimination Ordinance (DDO) proposed by the Equal Opportunities Commission (EOC)**

This item was proposed by Hon Margaret NG. The Administration informed the Secretariat on 11 May 2006 that one of the amendments proposed by EOC was to extend the definition of sexual harassment in SDO to cover conduct which created a sexually hostile or intimidating environment at an educational establishment. The Administration pointed out that since the Race Discrimination Bill (RDB) would also deal with racial harassment in a similar manner, the proposed amendment to SDO would be incorporated in the Bill.

To be confirmed  
(Note)  
CMAB & LWB

As regards the other amendments proposed by EOC, the Administration pointed out that some of them were technical amendments and the others might have read-across implications to other anti-discrimination ordinances. The Administration would consider the most appropriate way to take forward these proposed amendments after the enactment of RDB and would further report progress to the Panel in due course.

*Note: The Administration will, as a consequential amendment to RDB, extend the definition of sexual harassment in SDO to cover conduct which creates a sexually hostile or intimidating environment at an educational establishment. The Administration will consider the most appropriate way to take forward the other proposed amendments after the enactment of RDB.*

*Note: In July 2006, the Administration discussed with and explained to the Panel in detail the monitoring mechanism for National Sport Associations (NSAs) in the use of sports subvention provided by the Government and the NSAs' compliance with the terms of the subvention agreement. Upon request by the Panel, the Administration also compiled and provided Members with service statistics on the incumbents of NSA key office-bearers after that meeting.*

*The selection of Hong Kong athletes to compete in international sporting events is a prerogative of the Sports Federation and Olympic Committee of Hong Kong, China (SF&OC) and its member NSAs which are the local governing bodies of individual sports. This is in line with the Olympic Charter, which states that one fundamental principle of Olympism is that "The organization, administration and management of sport must be controlled by independent sports organizations". The Administration fully respects the Olympic Charter and would not interfere with the prerogative of the SF&OC and the NSAs in selection of athletes to compete in international sporting events. The Administration does not plan to discuss this issue in the Panel.*

**16. Proposal to provide an allowance for village representatives**

This item was proposed by Hon Andrew CHENG at the meeting on 11 October 2007. He suggested that the Administration should explain its considerations of this proposal, as well as whether the same arrangements should be made for other holders of public offices and the criteria. At the informal meeting between the Panel Chairman and SHA on 30 October 2007, the Administration explained that

it would not be ready to discuss this item in the next few months as it needed more time to consider this proposal.

**17. Progress of implementation of recommendations made in the Report of the Independent Panel of Inquiry on the Incidents Relating to the Equal Opportunities Commission (EOC) and the recommendations made in two other reports of the internal reviews conducted by EOC**

This item was last discussed at the meeting on 13 January 2006 and was proposed by Hon TAM Heung-man at the meeting on 11 October 2007 for further discussion.

To be confirmed  
(Note)

*Note: The only outstanding issues relate to the proposal for the appointment of a Deputy Chairman for the EOC and the proposal for separating the executive functions from the EOC Chairman. Both require careful consideration and, if accepted, amendments to the Sex Discrimination Ordinance. The Constitutional and Mainland Affairs Bureau will further examine the matter, taking into account the views expressed by members at the Panel meeting on 13 January 2006 and any other relevant Panel meetings.*
