LC Paper No. CB(2)2055/07-08(01)

Dear Hon Choy So-yuk,

**Re: Panel on Home Affairs**  
**Meeting on 9 May 2008**

Referring to your letter dated 21 April 2008 inviting us to attend the captioned meeting and join the discussion on the development of cultural software and humanware, I am sorry to inform you that I will not be available to attend.

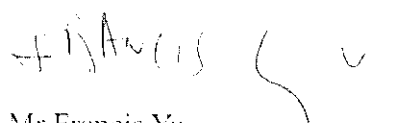

Nevertheless, may I take this opportunity to express my sincere thank you for your visit on 21 March to the Hong Kong Art School. With the valuable advice you provide and the information you share, we are now going smoothly to make contact with Home Affairs Bureau, Education Bureau as well as Housing Authority while looking for a permanent site for the School.

We understand that a solution will not come easily and immediately in particular talking about the limitation of space in Hong Kong. However, for the benefit of our students and continued development of the School, we are determined to put it as a priority to deal with.

All members of the School are working hard for a solution. We hope that good news will come soon and we will then report to you and share our experience.

On behalf of the Hong Kong Art School, the teachers and the students, I would like to once again thank you for your visit. I would also like to thanks for your invitation to attend the Legco meeting.

Yours sincerely

  
Mr Francis Yu  
Acting Academic Head
