Dear Mr Lau

Support for Creation of a Landscape Architectural Post at Directorate Rank

We learnt that the Development Bureau is considering to create a new landscape architect post at directorate rank to assist the Bureau on greening and landscape matters.

The Institute supports the creation of the above additional post, which certainly can provide better support to the Bureau in delivering the initiatives of the Chief Executive Policy Address in enhancing sustainable urban greenery and the quality of our cityscape.

Yours sincerely

Dr Ronald Lu, FHKIA
President
