Dear Miss Ma,

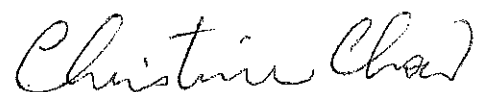

LegCo Panel on Welfare Services

We note that subsequent to the discussion of the item on Family Council at the Welfare Services Panel meeting on 14 February 2008, the Administration was requested to revert to the Panel on the work progress of the Family Council.

The Family Council noted the major issues discussed and suggestions made at the Panel meeting, and agreed that to keep the public informed of the progress of work of the Council, open documents and confirmed notes of meetings would be uploaded to the Internet as requested by the Panel.

You may wish to note that the papers and notes of the 1st and 2nd Council meetings have been uploaded onto the Family Council webpage of the Home Affairs Bureau.

Yours sincerely,

A handwritten signature in cursive script that reads "Christine Chow".
