ExCo Submission on Disposal of PSPS Flats

15 October 2002

At its meeting on 19 September, the Policy Committee endorsed the proposed arrangement for disposal of flats in two PSPS projects.

2. As the Consent to Sell for one of the PSPS projects will be issued shortly, we need ExCo's urgent endorsement to allow us to proceed with negotiation with the developers. Draft ExCo paper incorporating the comments made at the Policy Committee meeting (i.e. financial benefits and response to media enquiries on on-going negotiation) is at Float for your clearance.

3. The deadline for the submission to Clerk to ExCo is 30 September.

*As advised pl.
Pi. prepare clean
draft + email to
