Subject: Submission on Disposal of 2 PSPS Projects

Dear Doris,

PSH has cleared the draft ExCo paper on PSPS. I am now seeking SHPL's approval to issue. Grateful if you would provide background materials covering a wider scope (e.g. overhang situation of HOS flats, rental position of the three PSPS converted to rental use, and pros and cons of all options considered) and possible Q&As for inclusion in the brief for SHPL and DS(2). It will be helpful if you can let me have these materials by **8 October 2002**. Many thanks.

Joey
