Dear Sirs,

**Proposed Lease Modification -
Kowloon Inland Lot No. 11076**

I refer to our telephone conversation (Leo Cheng/Tony Robertson) a few minutes ago and confirm my request that you let me know if your client is agreeable to Government disclosing to the Housing Panel that a request for further modifications has been made by your client. This request is made because Lands Department regards matters such as the request as being as to private contractual arrangements and upon which it should avoid disclosure without the agreement of the other side.

The Housing Panel will sit tomorrow. Therefore, your prompt response to this request would be appreciated.

Yours faithfully,

(A.L. Robertson)
Assistant Director/Legal
for Director of Lands
