Dear Sirs,

**KIL 11076 ("the Lot")  
Hung Hom Peninsula**

I regret that I have to bother you and your client yet again on the matter of disclosure to the Housing Panel. However, I am now in receipt of a request from the Legislative Secretariat for disclosure to, in essence, everything on the Government files relating to the negotiations (including the mediation) with your client which led to the modification dated 26 February 2004. To comply with the request it is almost certainly necessary for disclosure to be made by early next week.

The provisions in the mediation Agreement require the agreement of your client to disclosure to the Legislative Council. Your client has previously kindly acceded to disclosure of certain matters relating to the mediation.

I am now writing to request your client's indulgence again in asking that your client agree Government be at liberty to disclose all documentation in the possession of Government relating to the mediation. We will request the Legislative Council to agree that none of that disclosed as to the mediation is made available to the press or members of the public.

This request is conditional as stated in my letter dated 21 February 2004 to you : for your ease of reference a copy of that letter is attached.

I look forward to receiving your client's favourable response by noon on Monday the 13 December 2004.

Yours faithfully,

(A.L. Robertson)  
Assistant Director/Legal  
for Director of Lands
