Dear Dr. Chan,

Re: **Alternation & Addition Works for Hung Hom Bay Reclamation KIL 11076
Waste Management Plan (WMP) for Current Exempted Building Works**

Reference is made to your fax {ref: EP123/C1/1 dated 25 November 2005} addressed to the developer of the captioned development regarding the Waste Management Plan for the project.

On behalf of the developer, we are pleased to submit two copies of the Waste Management Plan {ref: R035-3.05 dated December 2005} regarding the current exempted building works of the development for your perusal. The appointed contractor for the alternation and addition work shall follow the requirements/procedures of this WMP to implement their works contract under the close supervision of the developer. This WMP shall be updated regularly during the course of the current exempted works and once the alternation for the structure elements and the building designs of the development are firmed by the developer.

Thank you for your kind attention and please do not hesitate to contact the undersigned at 2872-2934 should there be any query on the technical issue of the WMP.

Yours sincerely,

pp.
