Dear Dr. Chan,

**Re: Alternation & Addition Works for Hung Hom Bay Reclamation KIL 11076
Waste Management Plan (WMP) for Stage II of the Construction Works**

On behalf of the developer, we are pleased to submit two copies of the Waste Management Plan (ref: R115-1.06 dated Jul 2006) regarding Stage II of the construction works (Structural Removal and Mock-up Construction) of the development for your perusal. The appointed contractor shall follow the requirements/procedures of this WMP to implement their works contract under the close supervision of the developer. This WMP shall be updated regularly during the course of Stage II of the construction works and once the design of external and internal renovation works of the development are firmed by the developer.

Thank you for your kind attention and please do not hesitate to contact the undersigned at 2872-2934 should there be any query on the technical issue of the WMP.

Yours sincerely,

David Yeung
Director
