Dear Ms. Hau,

Bills Committee on Public Health and Municipal Services (Amendment) Bill 2008

Thank you for your letter dated 21st November 2008 concerning the captioned subject.

Hong Kong Doctors Union fully supports the Public Health and Municipal Services (Amendment) Bill 2008 for the better protection of public health at large.

We understand that upon implementation of the Bill, it may be required to impound, isolate, destroy or otherwise dispose of the problem food belonging to food traders concerned in the manner specified in the order. In this connection, we propose the Government to minimize economic hardship on those small and medium enterprises.

Thank you for your kind attention.

Yours sincerely,

Dr. Ho Ock Ling
Hon. Secretary
Hong Kong Doctors Union
