

## **Minimum wage Concern group**

### **Minimum wage rule draft prospectus**

The minimum wage attention group is appreciate government concern on the legislation on the minimum wage before, and adjourns in the summer proposed the minimum wage rule draft gives the legislature to discuss, but the minimum wage attention group on several provides the opinion.

#### **Gauge head man-hour**

The government in the legislature reference abstract proposed cannot on the most senior engineer when places in the rule draft, when most senior engineer in the minimum wage draft is an important link, after because legislates the minimum wage legislation, the possible Hong Kong workers to do for 12, 13 hours, it will affects the staff family happy time.

#### **The minimum wage including stays overnight the family hireling**

The government should when the legislation minimum wage stays overnight the family hireling to formulate the minimum wage volume, including keeps the lodging allowance and the meals expense. The government should deduct in the legislation lowest monthly salary keeps the lodging allowance and the meals expense.

#### **The government should legislate the lowest monthly salary**

The government should in the rule draft the gauge head lowest monthly salary, not be supposed only on the lowest time firewood legislation.
