Head : 148 – Government Secretariat :  
Financial Services and the Treasury  
Bureau (Financial Services Branch)

Subhead (No. & title) :

Programme : Financial Services

Controlling Officer : Permanent Secretary for Financial Services and the Treasury  
(Financial Services)

Director of Bureau : Secretary for Financial Services and the Treasury

Question :

According to the Administration, the sums raised under the Government Bond Programme will be credited to a fund to be established under the Public Finance Ordinance, and the fund will not be treated as part of the fiscal reserves and will be managed separately. Given the current economic restructuring with the labour force facing structural unemployment, will this fund mainly aim at supporting employment in the labour market?

Asked by : Hon. WONG Kwok-hing

Reply :

The Government has devoted considerable resources out of the general revenue to create job opportunities and stimulate the economy and will continue to do so if the circumstances so require.

The objective of the Government Bond Programme is to promote the further and sustainable development of the local bond market. The sums raised under the Programme will not be used for funding government expenses.
